2Simple Computing Scheme Of Work - Copyright Statement

1. The 2Simple Scheme of work is free to all users but still subject to copyright.

2. Purple Mash subscribers may download, save, and print any of the resources contained in the scheme of work from the Purple Mash website (https://www.purplemash.com/#tab/teachers/computing_sow)

3. Non-Purple Mash subscribers may download, save and print any of the resources contained in the scheme of work from the 2Simple website (https://www.2simple.com/tba)

4. The scheme can be used for non-commercial purposes in a teaching or training environment.

5. The resources can be adapted, amended, and edited to meet the needs of the setting in which it is to be used.

6. If you are using the resources for CPD training purposes, you must give appropriate credit to 2Simple and provide a link to the website.

7. You must not use the resources on this site for commercial purposes.

8. You must not submit or upload any of the resources in the scheme to a third-party website. This applies equally to sites that provide free resources and those for which users must pay.

9. If you edit, translate or build upon any of the resources contained at this website, you must seek approval from us by submitting your proposed resource to 2simple. Please email them to sow@2simple.com

10. If you would like to include any of the materials from this website on your own website, blog or wiki, please contact us at sow@2simple.com .
