

Year 5: Spring Term 1: Weekly KIRFS Practise—recall metric conversions.

Each Friday, the children will take these tests. Practising these facts will help them perform their best. The questions will not be tested in this order!

9.1.2023	16.1.2023	23.1.2023	30.1.2023	6.2.2023	10.2.2023	Half Term																																																																																																														
There are 1000 millilitres in a litre.	There are 1000 grams in a kilogram.	There are 1000 metres in a kilometre.	There are 100 centimetres in a metre.	There are 100 centimetres in a metre.	This week there will be a test consisting of 20 questions based on our learning of this half term's KIRFs.  <i>Good luck and thank you for your support!</i>
