

Year 4 Homework Grid-Spring

This homework grid provides an optional, additional challenge for those who wish to enhance their learning and personal interest in their topic. We encourage you to share photos of this work with the class using ClassDojo.

<p>Record the temperature for a week in a chart. Can you solve: What is the greatest difference in temperature? Which day was the hottest/coldest? Any interesting findings?</p>	<p>Draw and label a diagram that represents the water cycle.</p> 	<p>Write a poem about weather, think about the different types of poems we have learnt in school.</p>	<p>Draw a tree in the 4 different seasons of the year.</p> 
<p>Build a storm shelter.</p>	<p>Write a diary entry as if you were a storm chaser.</p>	<p>Create your own erupting volcano - it would be great to see a video of this!</p>	<p>Design a poster to warn people about an incoming natural disaster.</p>
<p>Watch a weather report on the news and create your own backdrop for a weather report.</p> 	<p>Write a short story about a character experiencing extreme weather where they live.</p>	<p>Research about a famous meteorologist.</p>	<p>Research 10 amazing facts about extreme weather and present them in a poster.</p>
