Word from the Head

Monday 19th July 2021

Welcome to our last newsletter of the year. I can not believe we are already at the end of this academic year. Although this year hasn't been the smoothest, the children have (as always) made us super proud. They have continued to achieve so much and shine their lights in so many different ways, Their resilience and determination have been an inspiration to the staff.

I hope you all manage a restful and rejuvenating summer break - it is certainly well deserved. Below I have included some links to activities on offer this summer. Please continue to look after each other.

Best wishes,

Mrs Anderson

SEPTEMBER

The children return to school on Tuesday 7th September.

ST MERIADOC'S LEGO KING

Last week I had some fantastic news passed on to me that I am so excited to share with you all. An ex pupil, who also happened to be in my very first class as an NQT, Thomas Geradin is relocating to Denmark this week to work for LEGO as a Lego Designer! He is the successful applicant from a WORLD WIDE search and hundreds of thousands of applicants. What an absolutely amazing achievement!

We are so pleased for Tom - he has always dreamt big and never given up working towards his dream. What an inspiration to us all at SMJ. We will feature a bit more of a story on our website soon, with Tom's permission and Tom has promised he will come to speak to our pupils as soon as he gets a chance. We are very excited to hear about his LEGO adventures.

Tom, a MASSIVE congratulations - all your hard work has paid off. Thank you for being an inspiration!

SUMMER ACTIVITIES

Click on the links below for some ideas for summer activities...
